“ *Dearest Family,*

I was sorry to hear about Judy. I have so many great memories of our times together and with John when we were students at Pan Am and he was the registrar. I couldn't have made it without her....we studied together and I was always hanging out at your house. She was a friend and mentor to me in many ways and though we had not seen each other in years I have thought of her often.

*This is a tough goodbye for you I know. My prayers are with you.

“ To our extended family...Words cannot express how much your mother meant to both Dale and I. She was truly an amazing lady and was always there for us when we needed her the most. She knew when I had a bad day and would always show up with a hug, jelly, wine or cookies (like we needed those...). If we ever had a bad day she was there to pick us up with a word of encouragement. We will always treasure those great memories in our hearts and we will keep the entire family in our prayers. We were so lucky to have had her in our life and loved her so very much. Thanks for sharing her and Lou with both of us and letting me think I was the 4th....ha! We are always here for each of you. God Bless.
