“ *Dear Family of Judy,*

I only just learned of Judy's passing by searching the internet. I am so saddened by her death and send my heartfelt sympathy to all of you.

Judy and I went to Muskogee Central High together and then we were room mates in our first year at Oklahoma State Univ. We had wonderful and remarkable adventures together.

I am sorry to say we lost track of each other when I moved to Arizona 10 years ago.

Now, back in CA, I went searching for her.

What a wonderful person and friend Judy was.

I will miss her presence.
