“ *I worked with Judy for years, in the kitchen at Master Gardeners. She was a pleasure to work with, and could be depended upon to plan and carry out the meals at our sales, and meeting days. We'll miss her quiet company.*

“ What more can you say about Judy but flowers and food! She was a “master” of both. I will miss her friendship in the kitchen, and sharing of recipes and conversation. Prayers for the family

“ I am sure that there is rejoicing in heaven. Judy is up there planning meals and gardens. Trying to please everyone and making sure that every one is treated fairly just like she did here.

I love and miss you my precious friend.

Judy was a supportive, generous and contributing member to both Montgomery County Master Gardener Association and the St. James Garden club. We will miss her quiet leadership in both organizations as well as our personal friendships with her.

Judy was quick witted and had an easy laugh. She knew how to make things happen. One of her favorite things was bringing people together to share good food and laughter. It is easy to understand why Judy was cherished by so many.

I miss and will miss our Judy. She was a warm and wonderful friend, generous, always ready to plan an outing. Whether we gathered around a meal or played in the dirt, there was always laughter, good cheer and concern for her friends. Judy, you must be gathering blooms in Heaven, with a great smile and happy heart. My condolences to the family. Darby Kachmar

Judy was a pleasure to be around. She had a good sense of humor and a GREAT cook. She always helped organize our plant sale luncheons. Judy worked the phone room and was a wealth of information for the public. She will be missed so much!

Someone told me that once you had Judy as a friend, you had a friend forever. So true. I will miss our many phone calls planning events for the garden club. Everywhere I look, I see Judy. Gifts she has lovingly given me, plants we bought on our trips, friends we both love....yep, she's still here. My condolences to the family.

What a terrible loss for the Montgomery County Master Gardener Association, and for all those who knew Judy. Whether in the kitchen or the phone room or anywhere else at MG, Judy was efficient and compassionate with a sense of humor. To the family -- I'm so very sorry for your loss.
