“ *My heart was broken today when I learned of the accident and Julia's passing, as well as Troy, Kristy, Cameron, and Kara. I was fortunate to be a PA student to stay with Julie and Terry and they opened their home and family to me. I was very blessed to have that opportunity. I remember arriving on Mother's day and meeting the entire family who were all so gracious to invite me into their lives. I am so sorry for the loss and have you in my prayers. Julie will be missed dearly and her smile will be remembered always.*

“ *Dear Jacki,
I know the words won't heal the emptiness. I just want you to know that your mother was one of the finest people I have ever known. I had the privilege of working with her at Ellis and then again at the Walls unit after she became a FNP. I envied her knowledge and skills, yet it was her compassion and caring that really set her apart. I lost my dad last August so I know in some small part the pain you are feeling. I know that she has a wonderful home in Heaven and will watch over all of us. May God shine His light into your darkness and envelope you in His love. Sincerely, Cindy Longnecker*

“ Jacki, I have waited for days to send you this message..hoping I could find some words of comfort to pass along. I can only say that I am so, so sorry for your loss. You are such a brave young woman, and as I watched you greet well-wishers during visitation, I found myself being inspired by you. The loss of your family has overwhelmed so many in our community. Please know we would like to help in ANY way. Meanwhile, even as I try to reconcile all of this in my mind, I keep praying that somehow YOU can find comfort. LOVE YOU!

“ I met Julie what seems like years ago as a patient at Dr. Deahls. I loved Julie, she always made me feel so special. I asked about her about a month ago when I called his office for an appointment and they proudly told me that she was retired to be with her family! It made me smile just like she always did! My prayers are with her family. I know that she was special to you.

“ Julie and I met in PA school. She was a devoted member of the 410 group of women. She always found the time to keep in touch. She had recently written me an update on all the family. She was so proud to be a grandmother of seven. It takes fortitude, grace and compassion to make a difference and Julie certainly did. Drew, Marin and I send our deep felt condolences to the families of Chip and Jackie and to Terry. May you find strength during the coming days.

“ Julie had a spirit of unconditional love and compassion for those whose lives she touched. This is truly a reflection of the spirit which reigned within her. Not one of us who knew her is without a sense of anguish and absence in her death and the death of her loved ones. We have no words to bestow comfort to the Lawson family other than the words of our Lord, in that He will never leave nor forsake us and in Him we can find peace-- even when our hearts seem forever broken. For the lives Julie touched, for the hearts she changed, and the memories forever in our spirits, these must now become our earthly rewards for having known her.

“ My heart goes out to all of you, and my thoughts and prayers are with you and your family. "Do not stand at my grave and weep, I am not there, I do not sleep. I am in a thousand winds that blow, I am the softly falling snow. I am the gentle showers of rain, I am the fields of ripening grain. I am in the morning hush, I am in the graceful rush. Of beautiful birds in circling flight, I am the starshine of the night. I am in the flowers that bloom, I am in a quiet room. I am in the birds that sing, I am in each lovely thing. Do not stand at my grave and cry, I am not there. I did not die." ~ Mary Elizabeth Frye

Words cannot express the sorrow I feel for you and your family during this tragic time in your life. As Rachel said, "I cannot even imagine what Jackie is going through." Nor can I. Your mother was such a special person and meant so much to my late husband, Dr. Tarver. I remember him being so proud of Julie when she received her certification for P.A. She was an awesome lady and was thought of so highly by her co-workers. She was a ray of sunshine and her smile lit up any room she walked into. The thoughts and prayers of me, Rachel and Ruth are with you and your family at this time. We are here for you if you need us. Take care. May God wrap his loving arms around you. We love you. She was always happy, had a beautiful smile, always ready and willing to help in any way she could. there was no problem or situation that was too big that julie couldn't handle. *In company with Christ,
Who died and now lives,
may they rejoice in Your kingdom,
where all our tears are wiped away.
Unite us together again in one family,
to sing Your praise forever and ever.
we will miss you
Amen.*

“ *Julie - a beautiful person whom I will miss dearly. Her bright smile, kind words, reassurance and care for fellow man set a standard for all of us to follow.*

May He comfort your family in this time of loss.

"So we do not lose heart. Even though our outer nature is wasting away, our inner nature is being renewed day by day. For this slight momentary affliction is preparing us for an eternal weight of glory beyond all measure, because we look not at what can be seen but at what cannot be seen; for what can be seen is temporary, but what cannot be seen is eternal." (2 Corinthians 4:16-18)

“ *My condolences go out to the Lawson family. Mr. and Mrs. Lawson were such a blessing in my life. They were generous enough to provide housing for many of my classmates and I during our clinical rotations in Huntsville, Texas. This is a very tragic loss, as they were loved dearly by many. My thoughts and prayers are with you always. May you all shine down on us from Heaven. We love you so much!*

“ Julie was such an awesome lady that I had come to know & respect
and I know that she will be dearly missed. I cannot even begin to
fathom what your family is going through at this time but I do know
that God was there at that accident scene and just lifted the Lawson
family into his wings that day. We are all better human beings for
being blessed with Julie's friendship. God Bless...
