“ *I was a classmate of Julie's at Graettinger, but I as well lost contact where she was. Our families grew up together and we had lots of fun over the years. I am so sorry for your loss and may the Lord Bless You all. I know this is very late, but I just found out about this. We moved to Colorado 25 years ago and one of the other classmates just found this for me. You are in my thoughts and prayers. She will be sadly missed by all.*

“ *Julie was a classmate of mine in Graettinger, IA. Small town, small class, one feels close to the people that they grow up with, and I have fond memories of Julie. My thoughts and prayers go out to the family. May their memories comfort them.*

“ *I was also a classmate of Julie's at Graettinger, IA and also lost contact with her until very recently. I am sure her family will also remember her as I do. A good, fun-loving person. Please let your memories comfort you in your loss.*

May the Lord embrace your family & friends during this difficult time & may you fell his love surround you. You & your Family are in our thoughts & prayers daily. She was a wonderful Mother & Person & I'll never forget those Hostess cupcakes she would make us all the time when we were little, they were better than the real thing. I love you Molly, be strong, take care & live each day one day at a time. My Familys blessing are with you. All our love always.
