“ I gathered with fellow Aggies tonight in Mobile,AL for Muster and I was very sad to hear the name of a fellow Aggie and good friend, Justin Howard. I was immediately saddened to hear of his passing and wanted to offer my condolences to his family. I haven't spoken to Justin since around 2000 but I'll always remember him and the good times we had throughout college. From intramurals where his QB skills were well beyond most to throwing the baseball next to Kiest hall or simple lifting weights at the new rec center. He was a great person and left his mark on this world. I'm sure he is resting peacefully and I just want his wife and children to know what a great person he is.

“ We dearly loved and greatly miss Justin. His smile, energy, and fun-loving, outgoing personality was admired by everyone at the Hebert's Hullabaloo tailgate at Texas ATM. I loved his zest for life and family, and my kids were endeared to him, too. My husband, Mark, eagerly added Justin '96 & Laura to our banner, and we all thrilled at the opportunities to have him in our presence on game day. Our deep condolences are extended to Laura, Case, and Barbara, and Shane, Rodney and the extended family.

*Sincerely,*

*Sherry & Mark Hebert & Family*

“ I am so sorry for your loss. Justin was my classmate, SFA 92. I had been speaking with him through email throughout his sickness. Justin had been on my mind for the past 3 weeks and I didn't email him like I usually did when I thought of him. My prayers go out to the family, God has gained one awesome guy!!!! Rest in paradise my friend...
