“ *Anita, Frankie and Leo - I am very sorry about the loss of Karl. Karl loved Anita so much and he was always so tolerant with us as we went through those teenage years and I am grateful for that, as I know you were Anita. We can all be assured he is in a happy place with no pain and only serenity.*

“ *Dear family of Karl, My thoughts and prayers are with each one of you in the loss of Karl. I have many memories of my friend from way way back. It would fill a web site to tell just some of the times we have shared. Some happy, some sad, some great and some I care not to share. So, in all Karl has been a big part of my earlier life as a neighbor and friend. My heart will still hold a place in it for him. I look forward to seeing him in the next life and maybe we can talk about old times. Love and peace be with you. James*
