“ Oh MiMi.... I will cherish forever the moments we spent together! The many holidays and summer vacations we would always come together for at Char's. The countless times you would laugh and seem impressed with whatever performance or reenactment of Shrek me and Katie and Savannah would do. The way we would crack up because u had to eat French fries with a fork and dip all sides equally in ketchup! Lol The way you comforted my grandma your sissy in any time of need. The way you loved us and my momma!!!! And they interest you took in my baby's! I will miss you very much. Just know you exuded so much goodness in this world! Rest in Paradise beautiful lady!
