“ *There are no words to express how awful losing Katelyn has been. No words to express how deeply sorry we are and how sad. Just know that she is in the arms of Jesus, an angel full of love and light. It doesn't ease the pain but it makes it almost bearable. Hold on to each other Mitch and Paige and help each other through this. We love you all and are praying for your strength.*

“ *May God's love comfort you for only he can ease the pain and dry the tears away. Look to the Lord for in Him every question is answered, in Him every need is fulfilled. May the Lord's hand of compassion and his guiding light from above shine down upon your family and give you strength during this time of sorrow. Thinking of Your Family with Deepest Sympathy and Many Prayers*

“ God has a beautiful garden. He goes & picks from this garden, sometimes he picks flowers in full bloom some not so full & he picks little rose buds. God has chosen little Katelyn as one of his little rose buds. What a beautiful bouquet. We pray for both of you that God will give you peace that passes all understanding & strength.  
You both are very dear to us. We Love You Aunt Martha, Jack, & Robert

“ You have been in our thoughts and prayers since the first moment we knew anything was wrong. We will continue to pray for you and hope that through this time of trial that you will be able to find some solace in the thought that no more harm will ever come to Katelyn as she is with our Lord in heaven. We love you and hope you will call us if you need anything.

“ May the lord be with you during this time and may you feel his arms wrapped around you during your time of sorrow. We pray that you will feel him carrying you during this time and he will give you the strength that you need. Jesus loves the little children and they are precious in his sight. Your little Kaitlyn is a precious angel. May God be with you!!!
