“ *Dear Mr. Grier, 6-5-09*

I love you and Mrs Grier so very much, you both formed a family love in my heart, I think of you both every day with a thankfulness of both of you being part of my life, even it was a short time I felt I knew you both all my 43 years of life.

I miss "coming home" everyday and visiting some weekends, you both became a part of my life everyday and I loved that feeling of true welcoming.

I truly miss my Best Friend Mrs Grier, I never knew anybody like her and will never know anybody like her, she was truly a unique person who captured my heart and soul. I know "My Martha" is in Heavenly Father's kitchen and she is in charge, of all and everything, and her finger pointing at all times and her eyes shining with all kinds of Ideas. I Miss You My Friend".....Love Shirl

“ Over a week has passed and I still miss Kate so much. She was such a neat lady and even in the midst of all that she was going thru - she would banter and make me smile. Wally...your smile always met me as I came through the door, and I find myself wanting to stop, just to see that face too. I pray for you daily Wally, you and your family. There is a huge void now and only time will ease your hurts. THEE Hospice was priviledged to be part of your lives and we will continue to be a presence as long as you need us. I love you,

“ Uncle Wall, Kem, Candy and Mike, our heart goes out to you all during this very difficult and trying time. Our prayer is that God will bless you peace and wisdom as you work through these "tough times of the heart". My family will continue to lift you up in prayer... that the Lord's hand will be upon your family to give you strength, guidance, and the peace that surpasses all understanding.
Love you all,
Jim and Kim Grier.

“ Bumps, Just wanted to say I love you & will never forget the times I spent with you & Kate (K.K.) Comming to Houston for two weeks in the summer & swimming in the pool w/ her while you were mowing the grass. But the best one was when I had never tried fried okra but I was sure I didn't like it ?? She wouldn't let me up from the dinner table till I would try it. So after about ten minutes of sitting there by myself I finally stuck a peice in my mouth. So guess what my favorite vegetable is ? Yep FRIED OKRA !! Love you & remember she is now in the best place anyone could ask to be.

“ May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5

“ WALLY,
Words can not express my feelings that I have , having Kate as a
Mother In Law for over 40 YEARS.
I constantly remember all the wonderful and great times that we all
have had together and the way that I could always make her laugh.

You and her were a PERFECT MATCH and had a Very Special
Bond together and your lives together with your three children. My
LOVE for KEM Mirrors your Love that you had for Kate.

Be strong & let us surround you with our Love and knowledge that
Kate is no longer suffering and is now with other members of
FAMILY that we will all unite with someday.

I could have never asked for better In Laws than You & Kate. Just
look at the Beautiful offspring that started with you two

Love,
Jackie
Thanks For Giving Me KEM
