

Kathryn "Kate" Iona Dickenson

July 11, 1991 - April 22, 2015

Kathryn Iona Dickenson passed away surrounded by close family on Earth Day, Wednesday April 22nd 2015.

Kate, as most of us called her, was born in Elko Nevada on July 11th 1991.

The fourth child of the Dickenson clan she had a raucous and exciting childhood full of adventure. She loved to ride her bike as fast as possible down fifth street. In 2008 the Dickenson family moved to Texas. Kate lived with the Zohar family to graduate from Elko High School in 2009. Kate was always very fashionable and known for her bold outfits and hairstyles, she loved to draw and created wonderful art. She was half way through her Bachelor's degree at Sam Houston State University when in February 2012 she was diagnosed with Glioblastoma type four. Having pursued a degree in psychology she could tell you all the parts of the brain as she showed off her brain surgery scars. She worked at Farmhouse Sweets and Eats and was voted best waitress in Huntsville, a fact she was very proud of. She suffered her illness with grace and good humor. She was as tough as she was beautiful and will be remembered for her incredible wit. A kind and loving soul always lending friendship and service to others she was the model of a Christian disciple.

Predeceased by Pumpkin, her kitty of thirteen years, and her great grandmother and namesake Iona Chapman. Survived by her Mother Vonda, Father Ron, brothers James and Ian, sisters Jennie, Effie, Emily, Shannon, and Kirsten, Grandparents, aunts, uncles, cousins, nephews, nieces and

many friends.

Services will be held at the LDS church 1803 19th St. Huntsville TX, Saturday April 25th. Visitation at 9am, services at 10 am. She will be interred at Jozye Cemetery in Madisonville, TX at 3 pm. Invictus Meneo. Memorial condolences may be made to the family at www.shmfh.com.

“ *Kate was so brave and beautiful, inside and out, I am so glad to have met her and to know her and Jennie. My heart goes out to your family. I cannot imagine losing a close family member who is so young. Thinking of you all and sending good energy your way. She left us way too soon. I will always remember you Kate.*

“ *Dear Ron and Vonda,
I was so saddened to hear of the passing of your daughter, Kate. My heart goes out to you in this time of sorrow. While I didn't know your family especially well, I always loved seeing all of you together and thought your family was a beautiful example of a loving, large family. I have been praying for your family and I know God will comfort you and eventually heal your broken hearts.

“ Dear Ron and Vonda and family,
We just saw the Elko paper and are very sad to hear that you have to be apart from your beautiful daughter. Words can't express our love and sympathy for you. These young ones are being called home early and they have certainly fought the good fight. Our prayers are with you as you adjust to this new normal. Faith grants us the comfort of knowing that we will see each other again. We love and admire your family.

“ I remember Kate walking down the interstate to get to our home in Elko when she was about eight. She had her swimsuit on and "just wanted to go swimming." We couldnt figure out how she got to our house. She pointed out that she walked down the interstate a couple miles, climbed the fence, and walked through miles of sagebrush. Katie Bug was always tough. My heart is happy that Kate had so many friends and family that loved her and surrounded her while fighting this long battle. Always in my heart, I love you.

“ *Kate had an assortment of wigs, and she would come to our house for dinner often, but I never knew what to expect - a blonde, a brunette, a redhead? She knew Grace After Meals as well as our girls did. She drew wonderful pictures. She had a fine eye for design and took amazing photographs. She was forever smiling. We loved her very much.*

“ *Since Kate had been in the singles' branch, she had always so sweet to my husband Jim and me. We will truly miss her, as will all of you. Perhaps he had a special kinship with her because they both had the same malady. Our hearts go out to you on your loss.*
