“ *Maureen & Buddy,  
I am so sorry about the loss of your mother. My mother was also 88 when she died in 2006. I also regret that I never got to know her. It would have been a thrill to do so. You had such an incredible impact on my life, it would have been exciting to know the person who had an impact on yours. My how precious life is.*

“ *Maureen-*

*As I've told you many a time, you are a direct reflection of the enormous love and care Marjorie bestowed upon you.*

*Buddy-*

*I never once heard (the original) "Ms. Mac" refer to you as her son-in-law; you are her son. She was at peace in her final days knowing you'd be here to care of Maureen.*

*Praying for you both during this difficult time,*
