“ *I met Kathy at a womens prayer meeting and went out to lunch with her afterwards and I truly enjoyed her personality. She was straight and forward and I like that type of honestness. I wish I could have known her better, but there is still tommorrow her time to accomplish that. I am so sad about your loss, but know that she is in the arms of her creator, what a wonderful place to be. Thank you Jesus for letting me meet this wonderful person if even for a short time.*

“ *My thoughts and prayers will go out for you and your family at this time. Kathy will surely be missed. I remember Kathy and Ron from years past. She was surely a gem and pleasure to know.  
God Bless.*

“ I had the priceless opportunity to glean from Kathy on several occasions as we met over coffee and treats at Honey Tree. The abundance of her love for, insight into and revelation of Truth astounded me with each meeting. I long to sit in her overflow just once more. My prayer for each of us that loved her dearly is that the memories would be vibrant and joyful, that Father's warm embrace of peace comfort each of us and that patient expectation be met with joyful fulfillment at our reunion in Glory.

“ My first thoughts of Kathy is how she reached out to me with love and concern, when we started going to THE LIGHT Community Fellowship IN JANUARY 08. She gave me two small books on healing. She was a fantastic Christian Lady and was so proud of her husband, children and grandchildren. A special person who will be missed very much. My prayer is that God will give you all the peace and comfort you need.

“ My heart goes out to you all. As I have said before, if I had a magic wand or was granted one wish, I wave my wand for you and give you my wish. I do not believe I ever had the pleasure of meeting such an amazing woman. She is amazing and I know that without having met her in person, at least, that I recall. She has blessed this world with her children for whom I've had the great pleasure of having in my life. If such caring, giving, funny, intellegent people can come from her...then she had to have been one amazing lady! I am so sorry for all of your loss. My heart is with you, my thoughts will stay with you and my prayers will continue to be filled with blessings for you. Stay strong and keep looking forward. Remember the best of times that will forever stay in your hearts, smiles and tears of joy, not of sorrow. I send my love to you all.
