“ I have often wondered where Kathy Dean was after high school graduation. She was very kind to me my freshman year at King, and really actually threatened to whip anybody's butt if they messed with me. I have looked for her many times over the years, I cannot beleive I was working in the same town and also working at A&M - where she lived and worked. I'm sorry our paths never crossed.

*I'm so sorry to hear of her passing. It is wonderful to read the other postings here about Kathy, and to know she never changed, she was always very very kind. My sincerest sympathy.*

“ Vermon and Jaelyn;  
*I cannot even imagine where I would be today were it not for Kathy and my handful of friends who have given me a heart full of joy. Let's face it, my friends make life a lot more fun and Kathy was apart of that. Just remember that God's plan is working and Kathy's part was finish. I know you are going to miss her but to know she waiting for us to finish our part it's worth the wait.*

*Hey Kathy, (KATHRYN) J*

*God must have know there would be times we'd need a word of cheer, someone to praise a triumph or brush away a tear. He must have known we'd need to share the joy of "little things". In order to appreciate the happiness life brings. I think He knew our troubled hearts would sometimes throb with pain, at trials and misfortunes, or goals we can't attain. He knew we'd need the comfort of an understanding heart to give us strength and courage to make a fresh, new start. He knew we'd need companionship, unselfish....lasting....true, and so God answered the heart's great need with Cherished Friends....like you!! Kathy I love you!!*

“ Vernon & Jaelyn,

*My heart goes out to both of you. I was shocked when I heard the news. I wished I could have been at the funeral for both of you but I found out that Kathy past away the day of the funeral. Both of you are in my prayers. I will always remember the good times when Kathy and I taught AWANAS together at First Baptist North Channel. She was one of my very good friends! I will miss her, but I know one day, I will see her again in Heaven!*

“ Dear Veron, Jaelyn and family,  
I have worked with Kathy at TAMU SBS for 4 months and want you to know she was one of the kindest hearted people I have ever met! She always had a smile on her face and in her heart when we talked. I had a chance to visit with her thursday night on the phone and she was very upbeat as always. She will be missed so much. You and your family will be lifted up in prayer to help comfort you in your time of sorrow. The best part is that we WILL see her again one day in Heaven.

“ Vernon, Jaylen and family, I was devastated to hear of Kathy's passing today. She was such a joy to work with when I was at SBS, (she replaced me as the "new guy"). We always kidded each other about who trained us & who did the worst job of it. She was like a sister to me and she always was so concerned for my and Barbara's health. She was always smiling and that is how I will always remember her. Kathy, we will see you in Heaven, my friend & sister in Christ.

Love,

Jerry

“ Kathy's office was in the SBS entrance hallway. Usually by the time I was passing her office I had rearranged what I was carrying so I could look up and say 'hi'. The only times Kathy was not smiling when I passed her was when she was listening carefully to a student she was counseling. I know from my interactions with her and comments from co-workers that Kathy was a caring and inspiring person. I cannot say anything that will ease the grief we feel in her parting. If her loss has been felt so keenly by her SBS friends, how much more so her family? What I can say is this - Kathy's kindness will stay with me, and continue to inspire me to strive to be an encouraging, positive person. I hope in that way to honor Kathy's memory. Perhaps someday the smiles we pass on from Kathy will lift another's spirits.

“ Dear Family,  
I'm so very sorry for your loss. Kathy was a wonderful person and always knew how to put a smile on your face. I worked with her at A&M and there wasn't a day that went by that a smile wasn't on her face. She was loved very much by her co-workers and will be dearly missed by everyone. My God be with you during this time and remember that God will not give you something that he thinks you cannot handle.

“ Vernon and Jaelyn, My heart hurts for you. I don't know how we can go to church without getting our hug from Kathy. She was the most beautiful Christian. She radiated the love of God in so many ways. I will miss her so much. You have been in my prayers continuously and I know that through God's love, mercy and grace we will get through the days ahead. We know where Kathy is and I'm sure she is having a good time with her grandmother and mother and wouldn't want us to grieve but when you love someone as much as we do Kathy then grieving is a part of healing and even though at times it will seem like we will never heal just remember that God is grieving with us with His arms around us and holding us up. We love you so much and will be here for you.

*In Christ Love,  
Jean*
