

## Kathy L. Newman

March 7, 1954 - March 8, 2021

Kathy L. Newman went to be with Jesus in Heaven March 8th 2021 one day after her 67th birthday.

My wife of 47 years, she was and will always be my rock and the most special gift God has ever blessed me with. Thank you, God, for all the memories and the Love we have for you Lord and for each other and it just got better each day.

She is survived by 3 sons, Corey, Clint, and Brandon. She and I have been blessed with 3 daughters-in-law that only God could have blessed her and I with.

She has left behind 6 beautiful grandchildren, Cameron, Claire, Blake, Branson, Caleigh and Emma. She always said her favorite name was when they called her Nana. She loved our family, but not even I as her husband could come before these grandbabies, they were her world.

She is survived by 3 sisters, 2 brothers, 2 wonderful sisters-in-law and 1 brother-in-law.

Together, we have been a part of April Sound Church for 30 years and God has again blessed us with many friends that have taught us to serve the Lord and help others. Please know I have never known anyone that loved to give her talent and time to help make other people smile.

Kathy Newman, you have made my life and so many others in this world better by loving everyone, you lived each day to the fullest and your smile always made others smile.

I thank God for all these years and all the blessing he has given us together as husband and wife.

Please know we are all missing you, but know that God has made you well as you become another angel in Heaven.

Thank you God for my baby girl.

“ *Dear Terry, Corey, Clint, Brandon and loved ones: My heart is broken for all of you. Kathy's loving, kind, fun, and creative soul will be greatly missed. She would tell you to face the day with strength. So be that strength for Kathy and know that she earned her angel wings. Much love and lots and lots of hugs.*

“ I have always remembered my sis-in-law saying about my dad one time, "he may not say a lot, but when he speaks, you best listen", and I carried that bit of wisdom she passed on that day with me from that moment on. She was so right... I remember staying with her and my big brother at their house in Plano, and she was always welcoming. Will miss talking flowers, plants and yard work with her, as we both shared that enjoyment
