

## Katie Louise Lynch

December 19, 1943 - September 14, 2021

Katie Louise McDonald Lynch was born in Huntsville, Texas December 19, 1943 and crossed over into heaven on September 14, 2021 in Huntsville, Texas. Katie was preceded in death by her late husband, Charles D. Lynch and her mother, Lola Gary McDonald Evans and her father W. T. McDonald. Mamaw, as she was known, was a full-time wife, mother, and grandmother and a faithful prayer warrior for many that knew her. Katie's passion was her prayer time with God and her many rose gardens. You would find her at any time with her bible open to some of her favorite scriptures and talking about the "blood" and the "authority of Jesus".

Katie is survived by her daughter, Tracy Stoudt, wife of Bob Stoudt; daughter Terri Kay Hall, wife of Glyn Hall, Tim Lynch and wife, Rhonda Lynch. Katie and Charles have six grandchildren, Dustin Riley Stoudt and wife, Monserat Abigail Stoudt, Alexa Nicole Stoudt, Baileigh Alyson Hall, Ashleigh Paige Hall, Charles Garrett Lynch and Callie Grace Lynch all of Huntsville, Texas. Mamaw had no favorites as she loved everyone just as Jesus loves them. Katie was a faithful member of Family Faith Church in Huntsville, Texas where she served many years as on the Prayer Army spending many hours a day praying just as her late mother had done for decades.

Mamaw and Papaw never met a stranger and treated everyone that came into their home as family. The legacy left behind for this amazing woman will live on for decades through her grandchildren and her great-grandchildren.

“ *When Katie arrived home on 9/14/21 she heard these words "well done my good and faithful servant. She had the heart of a true servant of God. She served the body of Christ in Family Faith Church praying, preparing food for the sick and recovering, visiting at the hospital and just loving us all with warm hugs and a kind word. Mike and I were so blessed to have Katie and Charlie as our friends in Christ . I know all will miss Katie and Charlie but we will see them again!
