“ I am so sorry for your loss. I met Katrina and Chris through my son Christopher and I just adored them. Katrina was always smiling and loved to laugh. I was fortunate enough to go through the last two pregnancies with Katrina and not everyone could rock a bikini will be 7, 8 months along. I will truly miss her and treasure the memories I have. Please let me know if I can do anything to help. She will forever be a shining star out of heaven

“ *I am sorry for your loss. May you find comfort in the Scriptures. Psalms 37:11 shows us that the meek ones themselves will possess the earth, and they will indeed find their exquisite delight in the abundance of peace. We are blessed with that wonderful future ahead and our loved ones that have fallen asleep in death will have that promise of a future resurrection and enjoy life right here on earth, free from sickness and death. Acts 24:15, Isaiah 33:24, Revelation 21:4 Jehovah God truly cares.*
