“ *I am so very sorry for the loss of this young, dear girl. I've prayed for Kayla's family and friends. I only knew her for a few years. She was spirited and sweet. She also made people laugh and smile. I pray that each person grieving finds peace and understanding.*

“ I just want you to know that I spoke to Kayla a few months ago. I have loved her since she helped me in Children's church when she was younger. It deeply saddens me to hear of her passing. Please know that I am praying for your family during this time. Please let me know if I can do anything for you! Miss Jennie
