“ I've been thinking about Kayla a lot recently, how she was always around while I was growing up. It was like having a second older sister. Her quirky attitude an contagious smile just seemed to pop up when you needed it most, I recently came across these pictures and I realized that's still true.

“ Hi Holly and Mike I just wanted to let you know that that was a great service for Kayla and she seemed like a great person I wish I had the chance to know here. Holly you did a **WONDERFUL** job interpreting, you are a very strong person, but of course I'm sure you did it for Kayla and to keep yourself sane at this time, she would have been proud. If there is anything I can do for either of you don't hesitate to ask.

“ I am sorry for your loss and I send my sincere condolences to the family and friends.

When the enemy death strikes our grief can be great. It is at times like this that we need comfort and support whether we are acquainted or not.

May you find comfort in Almighty God promise of the resurrection. (Acts 24:15).

All of God's promises will come true, for it is impossible for God to lie. (Hebrews 6:18).
