

Keli Williams

March 16, 1994 - August 21, 2007

Keli Denise Williams was a precious angel born on March 16, 1994 in Huntsville. She went to meet Jesus and dance with the Angels on August 18, 2007. A life is measured by the lives they touch and Keli touched several lives. Her smile and actions expressed her feelings, thoughts and words to those around her. We thank Jesus for each and every day He allowed Keli to remain here on earth with us. Keli blessed our lives for 13 years, but will live in our hearts forever. Keli is survived by her parents; Denise & Elza Franklin and Emmitt & Tara Williams, brothers; Cody, Tanner and Justin Williams, grandparents; Marie Langley, Paul & Johnye Park, Liz Williams, Nancy Franklin and Mary Ann Franklin, and numerous aunts, uncles and cousins. She is preceded in death by her grandparents John "Pee-Paw" Langley, Emmitt "Paw-Paw" Williams, Curtis "Pops" Franklin, Sr. and great grandmother Alice "Mam-Maw" Parker. The family would like to thank Dr. Prier, his staff and the specialist from Herman Hospital, Houston TX as well as all of Keli's caregivers. Services will be held at 2 PM Tuesday, August 21, 2007 in the Sam Houston Memorial Funeral Home Chapel with Bob Payne officiating. Interment will follow at the Brooke Funeral Home & Cemetery under the direction of Sam Houston Memorial Funeral Home. The family will receive friends from 6 to 8 PM on Monday, August 20, 2007 at the funeral home. The family would like to send a special thank you to Neal McCoy, the family, and the East Texas Angel network for all of the help, love and support. In lieu of flowers monetary donations can be sent to the East Texas Angel

“ Denise and family,
There are no words to tell you how sorry we are to hear about Keli. I remember holding her when she was a little baby at our family reunion at my Mother & Daddy's (Aunt Nell & Uncle Raymond). She was such a precious angel. I know she is up in heaven right now telling her grandparents, (my Uncle John), and my Daddy how things are to be run. I know it hurts so much right now but you have to remember Keli is now whole. She can run, talk and play and she will be waiting on all of us with open arms. I just pray God will hold you close to His heart in the coming months.

“ Denise, Elza, Cody, Emmitt, Tara, Justin & Tanner,
There is not anything that anyone can say that will take your pain away, just always remember that when it is dark outside and the stars are shining bright, just look up and you will see the window where she is looking back at you. May god bless you all and know that We love you so much. If you need anything at all please let me know.

“ No words can express how much Keli meant to all of us. Though she may not have had the words to tell us, she loved each of us in her own special way. Weither she was smiling from ear to ear or giving us some of her famous little shrills when she heard one of us come into the room. I only wish that we could all be with her now to hear her laugh while she dances around and plays with her Pee-Paw. I know that she is looking down on us and sending us peace... our hearts hurt now and will for a long time, but Pootie is all better now and that's all that we could have ever wanted for her. I love you baby girl and I promise to take care of Bubba for you. Denise, Elza, Emmitt, Tara and Cody; I love you all and want to thank you for giving me the chance to be apart of yours and Keli's lives. I will always have a very special place in my heart for each of you.
Forever here for you - Bobbi

“Denise- My heart was saddened to learn of the passing of your sweet angel. Rest assured she is in a better place now- no more hurts. Know that a
all of us here at Marine Federal have you and your family in our thoughts and prayers. Here is a precious song that came to my mind this AM when I read Lucy's e-mail- it's EXACTLY what Keli is experiencing right now in Heaven...

*"Our prayers have all been answered. I finally arrived.
The healing that had been delayed has now been realized.
No one's in a hurry. There's no schedule to keep.
We're all enjoying Jesus, just sitting at His feet.*

*Cho: If you could see me now, I'm walking streets of gold.
If you could see me now, I'm standing strong and whole.
If you could see me now, you'd know I've seen His face.
If you could see me now, you'd know the pain is erased.
You wouldn't want me to ever leave this place,
If you could only see me now.*

*My light and temporary trials have worked out for my good,
To know it brought Him glory when I misunderstood.
Though we've had our sorrows, they can never compare.
What Jesus has in store for us, no language can share. (Chorus
twice)*

*You wouldn't want me to ever leave this perfect place
If you could only see me now
If you could see me now
If you could only see me now"*
