“ Ms. Wilkinson, my dear precious teacher - you've had many students and done lots of things since I wrote on the desk in your journalism class in the late 70s, but what an importance influence you were in nudging me and the rest of your students in the direction of strong, smart + prepared. To know you was to also know LeRoy, Chris + Kenny; your stories of life at the Wilkinson house were a constant source of amusement, and we loved it. A couple of the pictures in the tribute video are from that time - just the way I remember the boys + Leroy. (I also caught a beautiful daughter-in-law and at least one beautiful grandbaby!)

I know I speak for many of your students (and Leroy's) in expressing profound condolences. Thinking of you with love + prayers -

“ My heart is so heavy of the Homegoing of Kenny Wilkinson aka (Mr. W), I had the honor of being his Supervisor @ Goree Unit in the Commissary for a number of years. I can recall the day that he found out that "Parker "was going to be born he was a very happy and full joy with a big smile on his face like a lil kid getting a new toy. He would make sure that Ms. Walker got a invite to "Parker" special events in her life as a lil baby. Mr. W was the only person that I know could play Golf 7 days a week 24/7 and love his game and never got dirty. Thank you so much Mr. W for being my asst and working so hard I know I was hard sometimes but I was getting you ready to take my place as a Supervisor.

“ Lyndol, Leroy, Chris, Kelly, Parker, and all family members and friends,

Our hearts are broken with your loss.

Kenny has been special to countless people for a very long time, especially in the Huntsville community -- there will just not be another like him! It's been a pleasure to watch him grow up and know him as a friend, student and church family member. He kept us on our toes, and a hug, handshake, hello or easy smile from him was always a treat. He loved all of you deeply and made no secret that he adored his beautiful wife, Kelly, and precious daughter, Parker.

Kenny Wilkinson will be greatly missed, and we look forward to the day we can enjoy seeing him again. Please know that our prayers stay with you for comfort and strength -- now and in the days to come. We love you.

I love you all so much. Kenny was my "first baby", and holds a very special place in my heart. Words cannot express how I feel. I want to wrap my arms around all of you and try to give you comfort. I know I cannot do that, but I do know God is holding each of you and will continue to do so in the difficult times ahead. My prayers and love are with each of you. Kay Fountain
