“ To the King family,

I am so sorry to hear about your loss. A good friend of mine is going through the same thing. It is such a difficult, and scary time. I met you once for an LSCS dinner but, you seem like a real survivor. Be well, take your time feeling whatever you need to feel.

*Warm regards,

“ Sylvia, I am so saddened to hear about my buddy Kenny (what you got on? Your mind?)King. I've known him since I was a teenager and he always brought a smile to my face every time I saw him. I never forgot him and my friends and I always got a good laugh when we thought of him.
Please accept my most sincere heartfelt condolences.
