“ *To the family of Wayne, please accept my condolences. I am a retired firefighter who worked with Wayne years ago at station 24. I always considered him a friend although we drifted apart through the years. I will always remember Wayne and the good times we had.*

“ *May you be blessed and comforted in this time of pain. Wayne was like a brother to me, and he was like a son to my dear mother. We had many years together. Wayne loved his Lord and I know that he knows peace that we can only look forward to. Please know that you are in my thoughts and prayers.*

Wayne and I didn't get to visit much but, I have great memories of him in school and playing football. I am deeply saddened to have lost him so soon.

May God bless you and your family in this time of sorrow.

“ *We are so sorry to hear of the passing of Wayne. It saddens us deeply. We enjoyed many years together at PHS and were close, and Wayne was a very special guy in our class. Our memories of Wayne as such a bright classmate, and athlete, remain with us always, and his kindness he showed to all of us.*
