“ *To all of the Scheffer Family- May God be with all of you during this time of bereavement. I truly loved Ken. He was one of if not example a fine Christian I ever met. He introduced me to Sheldon Resoir with Ray Tipton. Those two were a pair to be and fishing. He enjoyed that and I did also. Sorry we could not make it to the service. We have had some health problems ourselves. I can hear Ken with that deep bass voice now carrying on a conversation with God. He is at peace and with pain. May God be with all of you. “ We are so sorry for losing a great friend, but the lose is only temporary,as we'll all come back together in Glory. Charlie will miss the conversations he had with Ken about the times they both spent in the Marines. Ken was a Godly man and an example for all the younger men that knew him. You are in our prayers and you have our phone numbers if we can be of help during this time of sorrow.
