“ *Mrs Anna and family
I'm very sorry for your loss. Kim was a very special person to me I looked at her as a second mother God blessed me with!! I know this is a very hard time for you but know that she wouldnt want you to be sad, she would want you to be happy for her because she's in a better place and no longer have any worries. Be strong and trust in God, because he never put more on us that we cant bare. Love you!*

“ My heartfelt condolences to your family for your loss. Kim was an
amazing woman and friend. I did not have the chance to enjoy her
friendship but for just a little over a year. The short time I had the
privilege to know her one fact was undisputable; her sence of
humor was only outsized by her heart. It was a pleasure working
along side her. We will all miss her terribly.
Respectfully, Michael Sturm
