“ *I was a good friend of K'Lynn's when we were in Elementary school. It's hard to believe what happened. I know it's not fair, and I'm very sorry for your loss. She is now with peace. She was a beautiful girl, and such a friendly person. Again, I'm deeply sorry for your lost.*

“ *We love you sweet girl & miss you so much. We don't understand why this happened and it still seems so unreal that you are gone. You were part of our family and we loved you like you were our very own. We have been so blessed to have been part of your life. You found true love, a love that some people never find. You made us all laugh so much & we will always treasure our memories of you. Love, Ken, Laure & Crockett*

“ Trev and family, this is an Mandy I am an old Montana friend. My parents are Bill and Mary Nordlund. We all here have heard of your tragic loss not only of K'Lynn but Julie as well. We are all in awe and can't get over what we have learned. May God help you find a way to stay strong at this time. K'Lynn was at our home so much in her first couple years we practically thought of her as a little sister. Please know that we may be miles away and several years past but we continue to have fond memories of you all. We are all thinking of you and your family in this time of sorrow.

“ Well this is to K'lynn and her family. The first time i met her i was running the track with her and we just started becoming friends. Then i had classes with her. I met her when she first moved here. But this year i had forensics with her she sat three people in front of me but i still talked to her she was cool and always will be. I remember one of my greatest memories with her was last year we both had a lunch she sat next to me everyday and we would just talk and carry on about things we heard in school she always talked to me about Crockett, I listened to her all the time she was one of those friends that you thought you couldn't live with, well she is still one of those friends i love her and always will. Everyday before class we would meet at the door walking in to forensics and i saw a happy smiling face she is great and she will always be in my heart...WE LOVE YOU K'LYNN R.I.P IN OUR HEARTS YOU WILL ALWAYS BE. And when we all Graduate K'Lynn your Spirit will be that stadium with us cheering each other on...
