And may God's grace give you the support, strength and love you will need to carry on as Monty would want you all to do. I am so sorry for your loss and I pray for your peace of heart and mind. “ *Dearest Cookie, I have run to Jesus every moment thinking of you this past week. I hate we were unable to be with you and your family yesterday, but I know our Lord was holding you up, and will continue to do so in the days ahead. Moments after you called Angie, she called to tell me the news and all she could say was, "Mom is going to miss him so much...they had so much passion for each other". Your family has become so twined with ours through the years. Your love for Monty and your children have had such an impact on the lives of others. I can't begin to tell you what you alone have done for our family through Angie and Billy. I pray the love, joy, peace, contentment, and friendship your family has blessed us with over the years will be felt by you in the weeks and months ahead. We love you, and continually lift you and your precious family up to our Lord and Savior. "The name of the Lord is a strong tower; the righteous runs into it and is safe". Proverbs 18:10*

“ Cookie: I admire you so much for the strength you have shown this last week. The knowledge and assurance that Monty was a "Man of Faith", and that he is in God's presence, I hope brings some peace and comfort to you and your family. Monty will be so missed. Every morning when I look out on your back porch and he is not there I will be reminded of what a genuinely nice man he was. Allow God to place His arms of strength, comfort, and love around you as you face the very difficult days ahead. I am reminded of Psalms 29:11 - "God Blesses us with His Peace." May you have Blessings overflowing of God's Peace. Godspeed Monty....keep singing with the

“ Cookie, I am so saddened and surprised to hear about Mont's passing. When we moved in across the street from Mont in Sunnvale, CA, he became such a great friend and neighbor. He was so happy to meet up with you again and Marry you. Our thoughts are with you, take care of yourself.

“ Cookie, Even though I cannot be there physically on Friday I am there with you and your family in Spirit. I want you to know that I love you and will keep you in my prayers. The Lord is good and he will give you the peace and strength that you need, draw near to him thru this time. You are a courageous woman full of love and joy and remember that we are embracing you at this moment...Mom is also very saddened by this, remember the picture of you, Mont, Dad and Mom at your house in RSW....we showed that beautiful picture at Dad's memorial service in December. He will always be remembered...

“ We were robbed of getting to know Monty better. He and I shared a passion for woodworking and I was just getting to the point of putting my extensive shop back together so that he and I could collaborate over projects. It pains me to realize that we will not have the chance to do that now.

I talked to Monty last over the death of Belinda. He was so supportive of the process and the grieving. I appreciated everything he did to connect me to the matter -- as I was in Houston and could get up to be closer to Dan during that difficult week.

At least Pamela will be with you at the Memorial on Friday. I am hoping to make it too. We will just have to see if business will let me go in time. Trust that my heart is with you whether I get there physically or not.

Your good neighbors,

Michael and Pamela
