

Larry Wayne Dahse, Jr.

December 31, 1971 - August 18, 2021

Larry Wayne Dahse had the biggest heart of any man that lived, and on August 18, 2021 his chest could no longer contain that immense heart. He was a man of integrity and love, and meant every word that left his lips. He didn't mince words and his word was golden. He was a loving father, husband, son, brother and uncle. He found great joy fishing, hunting and any scenario that caused for firing up the pit. He was an amazing cook and took great pride that his meat was always the first to disappear at any family gathering. You could taste the love in every bite.

Born December 31, 1971, Larry was preceded in death by his loving Mama and best friend Gracie Dahse, mother-in-law Nelda Sonsel, as well as many aunts, uncles, relatives and great friends.

He leaves behind the light of his life - his son, Benjamin Wyatt Dahse, best friend Chrissy Dahse, father Larry Wayne Dahse Sr., sister Roxanne Dahse Slott and wife Tressa, nephew Justin Dahse, sister and brother-in-law Maggie and Mark Buckner, niece Abby Buckner, brother and sister-in-law John and Trish Sonsel, niece Kelli Sonsel, father-in-law Sonny Sonsel, and mother-in-law Rita Sonsel.

We find comfort knowing that he will be right by mama's side fishing in that tall grass and watching over the rest of us, or munching on peanut brittle, giggling

with Nana because he's still her favorite..... but we sure will miss those intense hugs from those huge shoulders. Rest easy my love.

“ *Larry was a great friend and hunting partner for many years. Master at the grill, and yes his potatoes will never be replaced...I have tried multiple times.*

The Nissan being able to hold a small hardware store to fix anything and everything. The countless hours around the table just talking, laughing, and solving the worlds problems. Him and I teaming up for the gator lake fishing tournament and never winning (mostly my fault). These are just a couple of memories that I have.

He was a selfless man that loved his family and close friends. It didn't matter how long we went without talking or seeing each other...we always picked where we left off.

I was lucky to know him and I will miss him.

“ Where do I start? From the old days at the Paper Company deer lease to the beach house to the 3-wheeler riding and hunting behind our neighborhood to the weekends making sausage? Not to mention playing little league baseball. So many memories with this man, I am overwhelmed at his passing.

He will surely be missed by all who knew him. He had a heart of gold and a pot of potatoes that would make your mouth water!

Much sympathy goes out to the family as I consider them family as well.

“ First met Larry in Aug of '88, playing football right beside him at New Caney HS. Our friendship grew over the next half dozen years, as we hunted, fished and frequented a honky tonk or two, before I moved out of town. When I heard the news of his passing today and reflected his memory with a few of our old football teammates, I was overcome with emotions and sadness, of losing a friend. Hadn't seen Larry in 20+ years, but if I had, I feel confident we would've picked right back up where we left off.

“ My last memory of Larry was helping him tie an apron on so he could cut up some pulled pork. He had a wonderful sense of humor and a ready smile. I will really miss seeing him at the family gatherings.

“ Larry was one of kind , I always called him my brother in law because I always called Chrissy my bonus sister and both of our kids refer to him as uncle Larry , we are gonna miss him immensely. He always was fun to be around at his home and especially at deer camp where our dinners were famous , especially with our local game wardens they would somehow show up just in time to decide if their steak was to be Rare or medium rare that was as done as was allowed .. we are gonna miss him . I have no words to say how saddened I am about the loss of one of my dearest friends . My thoughts and prayers are with Ben , Chrissy and the whole family . You are gonna be missed Buddy

Y'all always ate like kings out at that damn lease! I shudder to think of the money that was placed on that grill!

Love you big brother
