“ *We just learned about Larry's death from pat Spadachene and we are just so sad. David will be devastated. It doesn't seem possible that Larry is not around - we thought he would always be here. We are so sad and know that Michael and the girls and the children are comforting you, Gladys. We have so many great memories to hold on to and know you are happy that you have so many more. Our blessings and sympathy to you all - love, Don and Patti Johnson*

“ Gladys & Family - I can only add my words and prayers to these you have already received. Gladys, I did Ballot Counting w/you and Jean at the RWSC. At that time I had no idea you were going thru your trials let alone Larry too. We just returned from 8 mos. in Florida caring for my dying Father and saw the obituary in the paper the next morning. I'm sure someone told you we held a few minutes of silence at the Membership meeting Thursday nite, in memory of your dear Larry. I pray for you and yours to receive COMFORT, COURAGE, ACCEPTANCE, LOVE from others, HEALING, and PATIENCE. A very special person has gone from your presence, but remains in your hearts. You have lost someone very special, and it won't be easy to bear the pain and sorrow that surround you. But, in remembering every beautiful moment you shared, may you find peace and comfort ... ONE DAY AT A TIME. Those who have shown us LOVE, brought us JOY, and made us LAUGH have given us the lasting GIFTS of a beautiful life - and BLESSED YOUR MEMORIES FOREVER! GOD BLESS YOU ALL!

“ May the Lord bring you comfort in your grief and bless your family during these days of sorrow. I remember Larry and Gladys during the time of my wife's treatments in Huntsville and the good humor he shared with all in the most trying of circumstances. God bless and bring Peace to his family.

“ Dear Gladys and family,
As I prepare to attend the Memorial Service for Larry, I continue to pray for you. I know that Larry is in a far better place, free from fear and pain and with our Lord. That is a blessing that we all can hold onto with great thanksgiving!

I also just made a donation to the Leukemia and Lymphoma Society in Larry's name. May God be with you all; may God wrap his loving, healing arms around each of you and bring you a sense of peace as you deal with the hole that Larry leaves in your lives. Please know that I am here for you WHENEVER. Love, Ginger

“ Larry will be missed by so many people. He was a giant of a man in so many ways, but he was so humble & compassionate to anyone he met in need. His love of Gladys & his family was a wonderful example to others. He loved the Lord & the church and shared that love with many people. Our lives are better because of the time we shared with him.

“ We are always saddened to see someone go, especially a classmate. But, in this case, it is apparent that Larry is now one of Heaven's residents. Condolences to Gladys, Ellen, and the family.

“ Dear Gladys and Family, I will always remember the times we spent together in prayer and just visiting at the Clinic and Hospital. Please remember that God spends too much time with us when we come into this world, not to spend any time with us when we leave this world. Larry is in good hands and safe at home. You are in our prayers. Chaplain Ron Edgington, Sr. Sam Houston Cancer Center and H.M.H.

“ Larry was a great friend, a great husband, a great father, a great grandfather, and a great brother and brother-in-law, and he will be an even greater angel watching over those he loves that are left behind. May his family take comfort knowing he is now in a better place.
