“ *Wow....I am his only son and only child, and two people I have never heard of knew about his death before I did; and I only found out by accident. My email address hasn't changed in 16 years since I last saw the two of you at Paw Paw Goodeaux's funeral. Despite all the things that have passed, I still deserved to be told my father died. I have the phone numbers that are public knowledge for both you and Daddy...and nothing.*

“ *I am proud to have served with Larry in the Navy in the mid 60's. He was a good friend and shipmate. Reconnected with him a couple years ago. Had lunch with him and Donna in Branson, MO. last year. Reminiscing with him brought back so many good memories. RIP Larry.*
