“ *I love you and miss you so much dad. You were my step dad legally, but in my heart your were so much more! So many times I still look up to the sky and cry wishing you were here, missing the times we shared together missing the times we'd watch storms outside. And any time I needed answers you always had them, and damn good answers too! I hope your in a life of peace. You'll always have a place in my heart and I'll never forget the many good lessons you taught me*

“ *My sincere condolences go to Larry's wife and family. I did not know Larry well, but talked with him several times on the phone and met him while bidding on houses. He was a nice person and very helpful. I know his family must be so devastated by the loss. May God bless them as they carry on in sorrow. Sincerely, Judy Chambers*

“ Martha,
Jackie and I continue to pray that the Lord will comfort you in this time of loss. Jesus promised the Holy Spirit would be with us and known as our Comforter. He knows and feels our pains and will be walking with you through this difficult time. He wants to be everything that you need. Just ask Him.
"Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me." Psalm 23:4

“ Larry was one of the kindest, considerate, and hard-working men we have ever met. As part of our neighborhood he worked tirelessly on the homeowner’s board always looking out for what was in the best interest of the entire neighborhood. He was instrumental in renovating the neighborhood park where he gave up several Saturdays and Sundays to help install the equipment. When a new fence needed to be installed at that same park Larry was there with the needed tools again giving of his time to make the neighborhood a better place. Larry was always there to help whether it was a neighbor, friend or the neighborhood.

To Larry’s family please know you are in our hearts and prayers.

“ We will miss Larry holding you and your family up in prayers. Larry was a friend to work with at Palm Harbor for 7 1/2 years he was a hard worker and cared for his family. Just remember the good times we had with him. Read Psalms 23 and it will help you through the storm. God Bless
