

Larry Maier

October 22, 1949 - November 19, 2005

Larry Lynn Maier (Friend to All) Larry Maier was the “Best of the Best.” He led by example and his family was his priority, and we all felt like we were part of his family. This family included lifetime friends, the girls on the softball teams he coached, his church family at University Heights Baptist Church, the SBC co-workers, and his “band of brothers” that enjoyed hunting and fishing. He also believed that anyone who needed help was part of his extended family. Erin, Keith, and Devon relied on his wisdom to solve just about any problem. Larry’s love and devotion to his wife, Mary, made life worth living. Larry Maier gave us a great example of what family really should be. We’ve all benefited from being part of Larry Maier’s family. Larry was born October 22, 1949 in Celina, Texas to Juanita Adkins Maier and Louie Maier. He graduated from Celina High School in 1967 and went on to receive his Bachelor of Science Degree from SHSU. He worked for SBC for 31 years. He is survived by his wife of 28 years Mary Lou Cherry Maier, daughter and son-in-law Erin and Keith Thompson of Huntsville and daughter Devon Maier of Huntsville, brother Louie Wayne Maier, aunt Allie Lewis, mother-in-law Florence Cherry, sister-in-law and husband Billie and Tommy Alexander, brother in-law and wife Clifton and Kathy Cherry, nephews Douglas Cherry and Josh and Seth Alexander, and many cousins. Pallbearers will be Jeff Fortenberry, Mickey Moore, Tim Moore, Tommy Martin, Tommie Middleton, and Stan Stone. Serving as honorary pallbearers are Will Vick, Jr., Max Threadgill, and John Henry. Visitation will be Friday November 18, from 5:00

to 8:00 p.m. at Sam Houston Memorial Funeral Home. Services will be Saturday, November 19, 2005 at 10:00 a.m. at University Heights Baptist Church with burial to follow at East Sandy Cemetery under the direction of Sam Houston Memorial Funeral Home. Condolences to the family may be made at www.shmfh.com.

“ I have to say first that I love you all very much and know that this has been a most devastating event in the lives of all those that knew and loved Larry. We have all been blessed by knowing him and having him as part of our Gardner family for so many years. I know the coming days will be very hard and that the reality of life without the one you loved so much will seem rather empty, however I encourage each of you to hold on to your faith and seek the wisdom that Christ offers each of us thru his word and thur the life he lived here on earth. Remember as Gene said we will be together again and though that seems so far away, I pray that you allow us to lift you up thru prayer and love and let us be there for you in these darkest days.

With All My Love,
Patrick

“ Dearest Family, having returned last evening and today from services for precious Larry, I have been awed by the evidence of his life and yours. The crowds that gathered to provide you support during this time of loss was a powerful testimony to what his life has been, and the people he touched. God bless and comfort you in the days ahead. I love each of you dearly.

“ Mary and girls, we were so sorry to hear about your loss. We are never prepared for the loss death brings even though as Christians we think about our everlasting life and take comfort in that fact. Mike and Larry were best friends while growing up in Celina. We've both been remiss in not making the time to spend together. I am glad we got to see both of you last month. Our thoughts and prayers will be with each of you.

“ Mary and Girls,

I didn't get to work with Larry but just a four short years but in that time when our paths crossed it was nothing but positive. I liked him from the start and you could not help but like him he was truly filled with goodness toward all. I know he was very proud of his family as he let it be known and you could see it in his face when he talked about you. When I heard of his passing it filled me with such sadness to lose such a good person, and it makes me sad that I will no longer be able to see and talk to him from time to time but I do know that he will be forever in my thoughts.

Mike was reminding me how Larry was his mentor as Mike learned to coach Sally's softball team. That did not surprise me because Larry was always there to lend a helping hand to anyone who needed help in anyway. He truly was the "Best of the Best" and we are honored to have known Larry. “ Mary Lou,

It hit me very hard when I received the news last night about Larry. Although none of us has seen near enough of any in our group since college, Larry has always been at the top of my list as a friend. We had so many good times back when it was the best of times to be young. He had that smile and that little streak of mischief, and he always made everything better when he was present. My mother thought he "walked on water" when we used to go down to Conroe and play in those volleyball tournaments. I cannot count the times that I would go home and she would ask how "Larry Lynn" was doing. I just want you to know how much I and many other Sig Eps thought of him and how much I will miss him. I will do my best to let the the friends I keep in touch with know about this loss...about our loss. And I will see you later this week in Huntsville. You and Larry and your daughters and family are in my prayers.

“ Mary Lou, Erin and Devon,

I will start by saying I love you all so very much!!! Thank God for our large family and its closeness. Each and everyone of us will be there, anytime day or night, for anything you may need. We are with you now and will be with you later. Larry was always so nice to me and I never saw him when he did not give me a big hug and a kiss! What I will remember most about him, is that I never heard him say anything bad about anyone or be mean with his remarks. He was always genuinely concerned about how I was doing and how happy I was in my life. We talked about that very thing on several occasions. When I received the tragic news I could not believe it and was so devastated. I know that you all will miss him very much, but all of the family will miss him too! I hope that Billie Jean told you that I have called several times. I didn't want to be a bother, so I told her just to tell you that "I LOVE YOU". I pray that God will wrap his arms around you and the girls and console you with his love and peace. We know we have such a wonderful God and Saviour and we may not understand his time table on things, but one day we will. Have comfort in knowing that Larry accepted Christ as his personal Saviour and that one day we will all have a big family reunion in heaven.
