“ *I just read of Mr Millers passing and extend my heartfelt condolences to Larry and the entire Miller family.*

Mr. Miller extended his home and kindness to me many years ago while I attended college with my good friend Larry Jr. and was a solid influence on me while a young man.

He was kind, intelligent and soft spoken but above all honest and kept his word with a handshake.

I regret I have only learned of his passing now but remember him fondly and better for have knowing him.

“ My heart is with the entire Miller family during this painful time. What a great family you are! I am truly sorry for your loss, and glad he is no longer suffering. Mr Miller was a wonderful man, and was the first employer I ever had! I learned a lot during those years working for him. He was a determined, hard worker and cared for everyone around him. I worked with him and the family for several years, and they will always have a place in my heart. I am very grateful to have had Mr. Miller in my life, and he will never be forgotten.
