“ *As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. Proverbs 17:17 says, "A true friend shows love at all times. And is a brother who is born for times of distress" Grief can be so hard, but our special memories help us cope. Remembering you and your loved one today.*

“ We have many wonderful memories of Larry Miller and his family. This family was a influential part of our sons adolescent years. Boys Scouts was the strong bond that brought us together. Charles and I witnessed Larry's' strengths, faith, and his love for family and life. Through his actions and participation in Boy Scout, Larry showed his love and faith everyday - witnessed by his sons and many scouts and parents that were a part of Troop 114. Larry will be missed on this earth. However, his strengths, faith and love will continue through his sons and everyone who had the pleasure of bing part of his life. God's blessing to his family and friends. Love to All!

“ I'm gonna miss you very much Uncle Larry. My favorite memory with you was when I was in middle school and we came to visit and went to the Prison Museum and you showed us where you worked at the radio station and talked bout the nights that you were doing the show on the radio. You seemed so proud of that job and it was the happiest I had seen you. I miss those days and I'm sad that we didn't get more time with you.
