“ *Anna & family,  
May God bless you in your loss of Larry. I was sad to see the news in the Courier about this.  
My van is in the repair shop so I am unable to attend the services.  
Jim and his wife, Pam, are out of town and won't be back until Weds (28) so I will pass this information on to him.*

*Love,  
Pat (Poland) Haarahus, & Michael Poland*

“ I'll miss Larry the most at our birthdays. I will miss him always picking and reminding me that that I am older then he is. Larry was like one of my brothers and I will always loved him like one. Anna your going to be fine in time, because the sisters are strong in all we do, and you have such a wonderful family to help you through this. David will miss him and all their talks about retail stores, because he truly understood what David was talking about. Larry, I know you are up in heaven making lots of people smile, just like you touch so many hearts on earth. One day we will meet behind the bush..... and you better not be cheating on me.....(Private joke between us) Love you Anna, your a great sister and friend. You always have a smile on your face and something good to say. Thats what makes you such a special person. Stephen and Charlie, you are the greatest. You know I am their for you and your families.

Love you Anna, Charlie, Stephen and all of the family

“ Larry is one of the kindest, gentlest men that we've known. He included Vince as a member of the family as soon as he met him. We will miss his gentle spirit. Blessed repose and eternal memory.

“ Our hearts go out to you guys. I personally will miss his chuckle and the love he had for all the little kids around him. I am grateful and thankful for all the times he included me as one of his God children. Keep the flowers growing and keep all those happy moments alive. He loved everyone too much to stay away. Trust that he will continue to watch over everyone and his life and love will continue to grow thru the lives of his wife, children, and grand children. Good bye for now Uncle Larry. We will all meet up again another day...

“ We will miss seeing his smiling face and hearing his giggle when thoroughly amused. Replant your flowers in your yard so that he will know that you are alright and can smile while looking down on you and your place. Love you Sis,
