“ *Suzette and Monica, I am so sad with y'all. Thankfully we know that Larry is now either bringing tears to the Lord's eyes with his beautiful poetry or cracking him up with his quick wit. I'm so glad I knew Larry. The BEST talent shows we had at FOHC were the ones he Emcee'd!! I know you will miss him, as will I. Love to you both and the rest of your family. I know ...and you know the Lord will walk with you thru this grieving time. He truly is The Great Comforter...rest in His love.*

“ *Mr. Moore was my elementary PE teacher. I still have T shirts from the end of the years with his signature on them. He carried me on and off the bus as a kindergartner with a broken ankle everyday. At Christmas my parents would send canisters of cookies for all my teachers, and he would always tell me how much his grand baby liked them. We used to see him at dance recitals and catch up once we moved on from Anderson. He was such a kind and funny man! What a blessing it is to have known him. I will be praying for his family.*

“ *Suzette and Monica, I am so sorry. Larry was a great man..always laughing,making jokes. Loved his humor and his spirit. Enjoyed all those years we worshipped together at Believer's Fellowship. It was just several months ago when I saw Larry and you,Suzette, at the imaging center. Just doesn't seem possible that he's gone. But he is strong and healthy now...praising our Jesus. "He's alive, alive, alive for Larry Moore"*
God be with your family and God bless.

“ Mr Moore was my PE teacher and also taught both of my sisters at Anderson. Through out the years I would run in him and it was always a joy to catch-up as an adult. I can truly call Mr Moore a inspiration and mentor to us growing up. Heaven has a truly great man who came home and he will be missed.

“ Coach Moore's humor was like no other. I still remember my small self in Anderson giving him my poly spot location for roll call and I'd somehow get stuck in that lucky spot "8-D" or "6-D" and he'd shout across the gym "No I don't want your age, I need your poly spot!" And there I am trying to make myself sound clearer while laughing at the same time. Coach Moore is one of many that have placed a great impact in my life long decisions. I'm now 25 and pursuing my goals as an educator as well.

“ I am 35 years old and was lucky to have Mr. Moore as my PE teacher at Anderson Elementary. As an elementary student, he was very tall to me. There are few memories I have of my elementary years, but Mr. Moore sure is one good memory. My condolences to his family.

“ I was his student through out my whole elementary in Anderson. I am 23 years old now. My favorite class of course was P.E. He made it soooo mucho fun. I won “Top girl runner” of my whole school and I got a trophy for it. It meant so much to me.. he chose me. At least it felt like that. I remember he would count ALL my tickets from laps I'm& kept track. He played the BEST P.E songs! Especially The Rocky Balboa songs.. I will miss him very dearly. May his soul rest in paradise ..thank-you Mr.Moore ❤️

“ I remember being in PE class at Anderson and Mr. Moore would tell everyone to “pick your little bodies up” to stand. Very small memory aside from the pacer test but one that’s always stuck with me. Rest easy Mr. Moore 😞

“ Coach Moore the man with the Giant heart. The master of dodge ball and the one that taught us to be great examples because being a bully was not an option. Thinking of you brought back the memories of walking into Anderson and seeing you greeting us all as kids I am 33 now and I hope my kids will get to have a teacher as awesome as I did. My prayers go out to your love ones.

“ Suzette and Monica, I was so sad to hear of Larry’s passing. He was such a wonderful man. It was a joy to teach with him at Old Anderson. He was wonderful with the littles. So kind and patient. I will miss all his post on FB. They were thoughtful and funny. He fought a hard battle. He is now in heaven getting everyone organized to do PE. 😞😞

“ Suzette and Monica, we are so sorry for your loss. You and your family will be in our prayers. Thank you for being caring neighbors for many years. Larry's sense of humor will always be remembered. It was always a joy to visit with him. True friends are the ones who never leave your heart and that definitely was Larry. God saw Larry getting tired, so he put his arms around him and said come with me. Suzette and Monica allow Jesus to be your guide, His word will show you the way during this difficult time.

“ “Coach” Moore was the coolest PE TEACHER EVER and loved us Anderson kids with his whole heart. I was at Anderson from 1991-94. He made us feel like He truly loved coming to work and let us play dodge ball ALL THE TIME. Before it was “outlawed”.

He did not tolerate bullying, and made us all feel included and promoted a fun and safe atmosphere at all times.

I ran into him at Walmart in Conroe about 7 years ago and he gave me a big hug and treated me like a long lost grandson. I was always jealous of his kids and grandkids because they got to hang out with him so much more than we did.

I know he left an amazing legacy at Anderson and a great impression on all us kids forever and ever.

“ *There has never been anyone quite like our Larry -and there never will be. Sardonic in his humor, so empathetic and sweet in his poetry, but not nearly as sweet as the Bluebell heaven that's awaiting him now. He was unfailingly faithful to his Lord and diligent in telling others the Good News of Jesus. So much love to everyone of you and your precious children and grandchildren who will miss their grandpa so much. But every day will bring you closer, and our consolation is in knowing that he is now where he always wanted to be. Meanwhile going forward, may you feel the Lord's presence so very near every day.*

“ So many great memories of Larry and Tom and all those fires they had. Tom got seriously ill when Eric was only two years old. You and Larry did everything you could to help me. Yard work, taking my Mom to the store, helping with Eric and just being there for me. I would have never made it without y'all.
My heart breaks for you and your family. I know what a huge hole there will be in your lives.

Suzette and Monica, I am keeping you in my prayers as you go through the days ahead. Larry was an awesome man and touched so many lives. I remember one Sunday while we were singing, he turned around with a huge grin on his face when he heard our toddler, Josh, singing his own words to "Jesus is Alive". Josh thought the words were "Alive, alive, alive for Larry Moore"! I'm sure Larry is worshipping at the feet of Jesus right now.
