“ I wish I had a memory. He was my biological father. I just wish I had found him sooner. I'm sorry for the pain he caused for other families but he gave me life and also gave me up for adoption to have a better life than he could give me. My heart goes out to the families that lost loved ones possibly at the hand is my father. But as I know God forgives all sins and I pray to meet him in heaven. He never knew about me other than my mom was pregnant and now I only get to put flowers at his grave. My heart goes out to those who have lost because of my father but in the end he is still my daddy. And I wish I'd met him before he passed. And let him know he had a child. I love you daddy and I know I will see you again at heaven's gates. You baby's girl you never knew existed. ❤️

“ I so wish I had a memory to share. I just found out I'm Larry A Sutton's (Rocky) only child. I love him even though I never met him and have heard some amazing stories about my daddy from his family. I can't wait to meet my Sutton Family and learn more about my daddy. Much love Rocky's only child Bonnie

“ Larry Allen Sutton was a murder & cold heart killer who murdered my Mother & Mr. Hoeshaw in cold blood. I'm glad he spent 42 miserable years in FL prisons. I think it is better he got life without parole. He deserved it.

*This man was my father! I am his only child! I know right from wrong and I also know people are charged and locked up for crimes they are innocent of. I am not saying my daddy was totally innocent and I have read all the articles on what happened in 1978. I will say this my daddy was not a murderer and no snitch either. I am very sorry for the families of the people who lost their loved ones. And I never got to meet my daddy! I love him still and me nor anyone else is the judge if anyone including my daddy. God is the only one who holds that power. I know I will go to heaven and I know I will meet my daddy Rocky for the first time. So judging his earthly actions in not up to anyone and in heaven you can. Or seek revenge. This may make some mad but I also want to let people know my daddy Rocky Sutton was no murderer!!! He helped cover evidence of what his best friend did and would not admit to murder. So I believe in my heart that he was wrong for the actions he did commit but also he did not murder anyone! If anyone one wants to attack anyone go after his friend that did commit the murders!!!! Signed Daughter of Larry A Sutton "Rocky".*
