“ *Once in a lifetime you have a TRUE FRIEND. I am happy to say that LaRue was my dear true friend. I loved her like a sister and I have many good memories of LaRue. I shall miss her more than words can say, but I am happy she never had to suffer. Today, she is free of all illnesses and is in a better place than we are! Kendall and I extend our sincere sympathy to you all.*

“ *We have always admired LaRue for the way she devoted herself to Pete in his final illness and for her optimistic outlook toward her CML. We shall miss her at church and we are truly sorry for your loss.*
