“ We were shocked and saddened to learn of your accident and of the passing of Poppa Buddy. We wish we could be there with you and realize that no words can really ease the pain y'all are feeling now; however, we know the strength found within your family and faith in God, will help you overcome the sorrow as each day brings a memory of the man you loved and cherished.

*When my daddy died, this quote by Ralph Waldo Emerson brought me peace and I hope it does for each of you:*

*"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived ... this is to have succeeded".*

*From the stories that Katie and I have heard from Paige and the example each of you demonstrate in your daily life, we believe that Poppa Buddy was indeed a success and will surely be missed by so many.*

“Milly, we were so shocked and saddened to hear of your unfortunate accident and Bud's passing. He was a wonderful man, and you two were such a great example of a devoted couple. We will, as we know you will, miss Bud. He was definitely a one-of-a-kind. We will be praying for your complete recovery from your injuries as a result of the accident and for the healing of your saddened heart in the days, weeks, and months ahead. You are such a strong christian, and we know, as you do, that God is so faithful in His promises to comfort and bring peace in our times of need. We love you dearly and take care of yourself. Our love and prayers are also with your entire family.
