“ *Miss Laurah was a sweet and loving lady that my dog Dixie and I were very privileged to know for several years. It was difficult to go to Pizza Shack with Dix in the car because she always wanted to go see Miss Laural and MissCathy. Laurah was a beautiful and loving soul and I will always regret not being able to tell her goodbye. Unfortunately my own illness prevented me from attending her services but her beautiful soul will always be with me. God bless you sweet angel.*
