“ *Dale,*

*I miss you.*

*I love you very much.*

*I wish you were here now, with me. Just hanging out. Just here.*

*You were good and true. And human and flawed. And I know it was hard. But I wish I could have told you all the things I'm doing now.*

*And you could be proud of me, like you already were. You believed in me. And I laughed at everything you said, because you were funny.*

*And you were gentle. You listened to my words, like they were important, gems that sparkled in your eyes. You had such a soft way of speaking when you loved someone. I could tell when you loved something, because you love me and for a moment the world stopped when you were with me. I was just a kid. But I remember you. And you were wonderful.*

*"This world was never meant for one as beautiful as you."*

*I love you always, Dale.*

*Dale was a great friend to have I knew him for for 15 years and I have to say that your words are some of the best I've ever heard anyone say about anybody else.*
