“ *My condolences to the Howard families. Some scriptures that have helped me cope in times of loss include Isaiah 26:19 and Psalm 37:29 which states: "Your dead ones will live....They will rise up". Also, "The righteous themselves will possess the earth, and they will reside forever upon it." Thanks to Jesus Christ's ransom sacrifice we have a genuine hope of being reunited with our loved ones lost in death. This is confirmed in John 5:28,29 which promises "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out" I hope these thoughts will be of some comfort to you. “ I adored Lee! He and I spent many hours in bible studies together. I loved it when he would show up at my office just to visit and talk about his many trips usually including a golf game or two or three. He loved talking about visiting his kids and grandkids! Joe's UT picture is still turned facing the wall because Lee was an Aggie through and through. To Lee's family, I pray for God's comfort and peace. Lee was truly a gift and he will be missed.

“ Deepest of condolence to the family of LTC Lee Howard. It was always my pleasure as former President of our local East Texas Chapter of MOAA to have Lee Howard attend and support our Veteran efforts. Lee provided an element of insight and humor to many of our veteran issues. He always had a pleasant smile and deep profound respect for helping and supporting our local Chapter of Military Officers Association of America. Lee will be sorely missed and many, as I, will feel his loss deeply.
With tremendous regrets and sadness
