“ *My deepest condolences to Lee's family and loved ones.*

I only had the priviledge of knowing Lee for less than a year but am better for knowing him. I was fortunate enough to bowl on his team last season.

Lee was a man of character, fiercely patriotic and always a pleasure to be around. He will be sorely missed by all who knew him.

“ My prayers are with all of you during this time. I have always enjoyed bowling with Mr. Kubiak since i was a small child and before that with all of the horse shows. His sense of humor and laughter will be a great loss and will always have a special spot in my memories. I enjoyed growing up with him and all of you as neighbors, friends and a second family. I will miss him greatly. Wish i could leave chicago to be there but know that i am praying for you and your family. Love you lots

“ My thoughts and prayers are with you all. Lee was a very fine man. He loved his bowling and his traveling league.

He served the traveling league in a just and fair manner. He worked tirelessly in building the schedule. Every year Lee brought a wonderful exceptional experience to the bowlers. At each stop Lee always proudly played the National Anthem which set the pace for the day. Patriotism ran deep within Lee.

Lee Kubiak is the epitomy of what a league president should be. He is highly respected. He is an exemplary individual. We will all miss him.
