“ *Dee, we were sorry for your loss. I thought you and Lee had a storybook romance and marriage. But we know he is with his savior, Praise the Lord, because we have that hope and promise in scripture. God will give you peace but first you have to get through the grieving. I pray it will be short and not painful for an extended length of time. We are crying with you, yours and Lee's friends, Peggy & Randy*

“ We were so very sorry to read that Lee had passed away. We spent some "enjoyable" times sharing with each other at the Cancer Center, and of course Bob is thankful for the many years he drove the bobtail for Outside Sales.

Lee was a special person, someone we are proud to call friend. He will definitely be missed by those who knew him. Now his struggles are ended. He is at peace. But he leaves behind a wealth of memories that we treasure. Please know our love and prayers are with you at this time!
