“ *My heartfelt sympathy to the extended Pete Petrosky Family. In the 1960's my former husband, Jerry, and I were next door neighbors on Matamoros Drive of Pete and Betty. How kind they both were to us as newlyweds and newcomers to El Paso. Loved the freshly baked cookies and other goodies from Betty's oven that we shared. Not to mention all the excellent advice on teaching. Another connection - I taught at Cooley with Mrs. McMillan!!! Oh, those were the golden years. I remember all you kids - so well-behaved and bright.
May God grant all of you peace and comfort at this time of sadness.
Love and Prayers,

“ *I am sorry I was not able to attend the services for your dad here in El Paso. I remember going to his place 20 years ago when I first moved here to collect a couple therapy tables that Dan and Patricia were giving to me to help get my chiropractic business started. Then a few months later I filled in at their office and had the "pleasure" of adjusting Mr Petrosky, who kept telling me to "Hit me harder, you can't break me !". Quite scary for a new doc ! Through the years I have grown to be part of the Petrosky clan through marriages, births, moves and now death. I am proud to have known your dad and most of the family. My heartfelt thoughts and prayers are with you, always. Kathy Keith*

“ *Kristy and Family,*

I am so sorry for your loss. Although I have been gone from Alpine for so long, I recognized the name immediatley in my weekly online reading of the Avalanche. I never had the pleasure of meeting your grandfather, but I have many fond memories of you from High Frontier to the bakery. I will keep you and your family in my prayers.

*God Bless,

“ *Hello Judy,*

I went to school with you at Eastood High School forever and a few days back (1977). I no longer live in El Paso but I do go to the El Paso Times website and I saw the obituary for your dad. I just wanted to offer my condolences to you and your family. My dad died last year so I kind of know what you are going through.

An old friend from a long time ago.
