“ Leigh Ann, you were a wonderful, generous, and caring person. I did not know you well or for a long time, but there was something that you said to me in my time of trouble that will always stick with me: "We are all here for each other to lend a helping hand when needed". Thank you for the kindness and patience that was shown to me by you. You will be deeply missed until your family and friends meet you again in God's Kingdom. You were always an angel.

“ Aunt Mary, Joe, Jason and the rest of the family. Words cannot express the sadness we feel for you at this time. We can only have faith, that God felt it the right thing to do. Please dig deeply into your faith for the peace I am sure you all need at this time. We could never be a mother to those babies, but we can sure be a ' Granddaddy & Mamaw' to them. When you need help, it would be an honor to help you. Days ahead will be difficult, that is no lie...again, turn to the roots of your faith for guidance.

“ Our Dearest Margaret,
We are so sorry to hear of the loss of your daughter, Leigh Ann. Though we did not know her personally, we felt as though we did, as you always shared stories and everyday life occurrences with us on a regular basis. If Leigh Ann, was anything like her mother and her handsome, young son, Trey, who we have known for some years, then she must have been an awesome woman, daughter and mother. Margaret, if there is anything that Danny or I can do for you, Trey or your family, please let us know. Our prayers are with you. We love you dearly.

“ We will never forget and will always love the perfect angel watching over from above. We will weep and mourn our beloved friend, one like no other, until the days end. As our hearts ache while our tears stream, we know she is in Heaven living a perfect dream. Time will pass and pain will ease and but missing her will never cease. Comfort will come as we look in our hearts to know that not even forever cannot keep us apart.

“ To all those Leigh Ann loved and cherished - Leigh Ann was one of my dearest friends at one time and the memories I hold in my heart and mind will last forever. She was so funny & sweet and we had some really awesome times together. She was passionate about life and cherished her children with all her heart. I hope one of these days her kids understand what a wonderful mother they had & know that she loved them more than life itself. I will never forget my friend and "sister" Leigh Ann. I loved her dearly!! Bye my friend!!!!

“ Jason, I had the honor of meeting your wife. We both were in the County Clerk's office here in Huntsville at the same time. She heard me tell the clerk my name and that lead to a discussion between us both. Although our conversation was short, I felt I knew her. She was very sweet and polite. I know how you must feel since I too lost my husband less than a year ago. There are not enough words to express my sorrow. May God keep his arms around you and help you get thru this time of saddness. Remember you will always have precious memories to cherish.

“ Words cannot express my hurtful heart.

I have a firm belief that everything happens for a reason...whether we understand it or not. As your heart heals, I hope that peace comes in knowing that God had a better place and purpose for Leigh Ann. We often can't understand where that place could possibly be, but we must have faith that He does.

If there is anything that I can do...run an errand or just lend an ear...I am here.

I pray that God will give you peace, that he will comfort you and strengthen you through the days ahead.

I know Leigh Ann will be missed dearly.

Love You,
