“ Thank you for the opportunity to leave messages. I have 21 years at Windham School District. Part of my career was working in Administration from 1994-2000, and again from 2003-2008. I was the Coordinator for the Windham Media Center for five years where I may have possibly provided Ms. Brinkley with media orders to be used in her class. A typical philosophy at the Media Center was to serve every Windham employee with outstanding service. I would like to send the family my deepest sympathies because we are all a big family.

Respectfully
Paul Lareau
