“ *Our condolences. Is this the same Len Snider with the song "Everyone Knows"? He and B.J. Thomas entertained us back in the early 1960's in the LaGrange and Giddings, Texas areas.*

We would like to talk to a family member!

“ *Very saddened to hear of Len's passing from this life, but heartened to know that another of God's children has gone to add brightness to the group of our mutual loved ones who are already in Heaven. He was/is a great cousin, and will be missed greatly. We (Keneta & I) wish the Lord's richest blessings on Troy, Tab, & Shelley and their families. - Gar' Gene*

“ *Growing up in Markham I knew the Snider family. My uncle Raymond Uherek played with the Jokers. As a kid I thought he was so handsome! My thoughts & prayers are with each of you. Brenda Rush*

“ We (Curtis & I) are so very sorry that we cannot be with you all at this time , as we say good bye, here on earth, to such a great cousin, and celebrate his "going home" to spend an eternity with God!

I was so blessed to have found him on FB this past year or so and got to become close to him again here in our older years !

Always enjoyed listening to his singing, and shared with him how musically talented nearly all my 11 grand kids are. He said he wasn't surprised because it seemed to run thru the Harvey blood.

Anyway, we are in MI And could never make it back in time. It truly breaks my my heart to not be there with everyone. I will be very glad to donate more than we already have to the Republican Party, Lenard's honor. I know much of how he felt as we shared political conservations on line and we both have always been pretty open with our thoughts and views!

We love you all and miss you much, at this time.

“ Our prayers go out to the family. Len and I became acquainted in the late 50's and early 60's and then renewed that friendship through Facebook and e-mail in 2011. Rest in Peace, that heavenly choir of angels has a new member.
