

Lenny Denton Joe

February 25, 1957 - March 21, 2015

Lenny Denton Joe, 58, went to live with our Lord and Savior on Saturday, March 21, with his family by his side.

Lenny was born February 25, 1957 in Houston, Texas to Toy Wing Joe and Gim Yuk Joe.

Lenny was a draftsman by trade, but enjoyed many other things. Everyone who knew Lenny, knew he was an avid hunter and thoroughly enjoyed any activity that took place outdoors. At night Lenny would visit his favorite dancehall, Whiskey River, where he would cut up the dance floor with friends. Lenny was a man who believed in gun safety, and held several classes to teach friends and others the importance of handling, shooting, and carrying firearms. On a beautiful sunny day Lenny loved to hop on his motorcycle, meet up with some friends, and just take a ride through the country on backroads.

Lenny is survived by his children, Andrea Gray and husband Mark, and Ashton Joe; two grandchildren Payge and Samsyn Gray; mother Gim Yuk Joe; sister Sue Ann Joe along with her children Brandon and Michael Spagon; brother Denny Joe; brother Benny Joe and sister-in-law Robin Joe; many cousins and countless friends.

Visitation will be Wednesday, March 25, at Sam Houston Memorial Funeral home from 6:00PM until 8:00PM. Funeral services will be held at First Assembly of God church on Thursday, March 26, at 10:00AM.

Memorial condolences may be made to the family at www.shmfh.com.

“ The first time I ever saw Lenny was about 35 years ago. I stood at an elevated rail beside a dance floor looking down at a sea of people. The dance floor was so crowded that I couldn't always see the man under the hat but I watched in amazement while that black cowboy hat took ownership of the floor. After dancing to several songs, Lenny and his partner left the dance floor. I don't think Lenny took more than 3 steps off of the floor before another pretty girl grabbed his arm and dragged him right back out on the floor. I watched the entire sequence repeat it's self over and over all night long. That was the night that I knew I had to learn how to dance! Over the next several years, Lenny and I became the best of friends. We spent countless days and nights fishing from my parents boat dock on Lake Conroe, bow fishing and just hanging out. Even driving from the southwest side of Houston to Lake Conroe had a hidden perk! At the time, Lenny's parents owned a convenience store near The Woodlands. Lenny and I would stop to say hello and not be allowed to leave without a pocket full of snacks and a cooler full of drinks. I have so many memories and fun stories of Lenny and our friendship.

After many years of hanging out together, Lenny and I moved away from each other, took different jobs and started our own families. Even though, we only talked a hand full of times over the last 20 years, we always considered ourselves as good friends.

I attended Lenny's church service this morning. It has been years since I have been involved in Lenny's daily life so I only recognized a few family faces. I couldn't help but think what I would say to Lenny if I had the chance. Tonight in my prayers I will tell Lenny, "you done good boy". Lenny's effect on my life as well as countless others will never be forgotten. The hurt by the loss of Lenny is a reflection of the love and friendship we all share for him. Rest in peace my friend. You will be missed!

“ *My deepest heart felt condolences to each one of you. Lenny & I met 12 years ago through our mutual enjoyment of dancing. Although we knew each other only in the club, I considered Lenny a valued friend and had high respect for him. He was always kind, enjoyed kidding around, gave strong, sincere hugs and had a warm willing smile. To me, Lenny was a man's man, one who enjoyed the rugged life of the outdoors and hunting. But he also was a humble man, one who would easily help anyone where he saw a need, without drawing attention to himself. That speaks highly of his character. Because of the man he was, he leaves a rich heritage to his children and grandchildren. May you take pride in knowing that he had a large family of friends who loved him and will truly miss him. Myself included. I pray that your sweet, precious memories of Lenny will diminish and remove the pain and grief that fills your heart. May the Lord, our God of all comfort and strength, embrace each of you with His Shalom Peace. God Bless, Linda Hassler Bolin*

I will miss Lenny. Lenny and I grew up together in Glenbrook Valley Subdivision, Houston, Texas. His parents and my parents were good friends and distantly related. I will not forget the all the childhood birthday parties and family events at our homes and all the good times and laughter that we shared with each other along with his brothers Denny and Benny. RIP Lenny.

“ We follow a pathway that has no end as we travel through life day by day. Together with those who are dear to our hearts and are there by our side, come what may But sometimes a loved one must travel ahead for reasons that aren't always clear. And we're left behind to continue along, missing one who is no longer here. And while it may seem that the pathway has stopped, it merely has rounded a bend, And our loved one goes on to a much brighter place down the pathway that has no end. We will miss you dearly my cowboy, thank you for the dance lessons and more importantly the life lessons, the conversations you trusted me with and for letting me cry on your shoulder.

Love ur Shorty,
Maria Palacios
