“ I'm so very sorry to hear of Uncle Lens passing. I am his brother Bill's grand daughter. I have been unable to keep in touch since my grandparents passed away in 2008 and 2009. I believe I only got to see him a couple times and I met his wife when they visited Florida to see Bill and Sue. I talked to him on the phone and always looked forward to his letters. Prayers and peace.

“ Peace be with you, Leonard. To the family: I am so glad he found you 'all'...he often said he married and got a 'whole new family'...he was a very talented and interesting man. Always so kind and a gentleman always.
